Tenders of the firms/contractor which do not deposit the cost of specifications before or by the last date and time of bid submission shall not be accepted. **The cost of tender specifications must be deposited electronically/ online only on the website <https://eproc.punjab.gov.in> before or by the last date and time of bid submission. In addition to above, bid processing fee (there will be bid processing fee as displayed on the portal while submitting the bid) shall also be payable separately by the bidder .At present fee is Rs. 5900/-.**
5. All tenderers have to deposit Earnest Money at the rates prescribed in the tender documents as per Clause A (5) of Tendering and contract agreement (SECTION-I) except in case of those tenderers who are specifically exempted there-under. Tenders without or having insufficient earnest money shall not be considered /accepted. **The cost of tender specifications must be deposited electronically/ online only on the website <https://eproc.punjab.gov.in> before or by the last date and time of bid submission.**
6. The rates should be quoted as per reference Performa (Annexure-B). The rates quoted must be valid for a period of at least 120 days from **the date of opening of tenders.**
7. Bidders have to submit the bids in **Electronic format only on website <https://eproc.punjab.gov.in> before or by the last due date & time for submission of techno-commercial bid.** If any additional documents are attached, a hard copy of the same must be submitted in the office of Dy. Chief Engineer, MM-I, Circle, GHTP Lehra Mohabbat, before the time of opening of techno commercial bid and certificate shall be submitted in this regard that no other document has been attached. If a hard copy of additional document is not submitted it shall not be binding on PSPCL to consider it.
8. **The contractor shall specify clearly that his rates are firm & valid for a period of one year and extended period, if any, on lump sum basis for the works at GHTP, Lehra Mohabbat as specified in Section-VIII (Scope of Work) on the prescribed Performa (Annexure-B) through e-tendering. Rates should be quoted both in figures and words.**
9. The tenderers are required to estimate the quantum of work for which they should study for themselves and anticipate their commitments towards the work and quote their rates carefully taking into account all the probable contingencies.
10. The rates quoted should be firm by taking into account labour rates as per applicable/prevailing Minimum wages/DC rates (notified by labour department Punjab) as applicable on _____ (day of reverse bidding) and inclusive of all levies, taxes (except GST) including work contract tax, EPF, ESIC , Labour welfare Fund or any other tax levied by state /central Govt. The contractor shall bear all expenses relating to terminal benefits like gratuity ,bonus, retrenchment compensation, leave encashment, PPEs, comprehensive medical test charges and all statutory amounts payable by the contractor to the workers for rest/compensatory rest, overtime, weekly rest, insurance,

National/Gazetted holidays etc., and additional benefits (Rs 1000/- per worker per month for thermal conveyance, medical & dust allowance) and other benefits payable as per Labour Laws ,Factory Act and other applicable Acts/Rules/Regulations, General T&P and consumables as indicated in scope of work and scope of supply by the firm/contractor and

- i) Employers' share of ESIC & EPF shall be to firm's account and quoted rates are inclusive of employers' share of ESI & EPF.
- ii) GST, if applicable, shall be payable extra by PSPCL on submission of documentary proof of having deposited the same.
- iii) Any increase in minimum wages/rates notified after _____ (day of reverse bidding) shall be compensated as per actuals. The increase in EPF, ESIC and Bonus, leave encashment and gratuity actually payable by the contractor along with any administrative charges due to above increase in minimum wages shall also be payable by PSPCL as per actual.
- iv) Any extra /new/change in taxes imposed after _____ (day of reverse bidding) shall be payable extra by PSPCL.
- v) Any increase/decrease in rate of contribution of employer's share of EPF, ESIC and bonus notified after _____ (day of reverse bidding) shall be payable/ recoverable by PSPCL.

NOTE: - The rates should be firm over the period of contract, including extended period, if any. No other condition by the firm in this regard shall be acceptable.

11. Tender received through telegram, e-mail or fax shall not be considered.
12. Tender evaluation shall be done on the basis of e-tendering followed by reverse bidding and the work shall be allotted to that tenderer whose overall value for all the works (i.e. Items at Sr No. 1, 2 & 3 of Performa for quoting rates) combined together is the lowest after completion of reverse bidding.

NOTE: Reverse auction will be done "on line" on overall L1 rates excluding GST.

13. The price bid shall be opened after satisfying that the tenderer is qualifying the conditions prescribed in the tender specifications. The date of opening of price bid shall be as mentioned in the tender notice/ tender specifications or as intimated later on to the qualifying bidders. In case the above scheduled date happens to be a holiday, the bids shall be opened/ downloaded on the next working day. All Saturdays & Sundays are regular holidays.
14. The tentative date of commencement of works will be from 07-09-2024. However, this date can be post-poned or advanced. Period of contract shall be **one year** from the date of commencement of contract/work. However, this period is extendable by another **three months** at the same rates, terms & conditions at the discretion of PSPCL/GHTP subject to satisfactory performance of the firm/contractor and shall be binding on the firm/contractor. However, the firm cannot claim extension as a matter of right. PSPCL reserves the right to short close the work order due to any reason whatsoever, without any notice, even during the extended period.

If the date of completion of work order falls in between Unit shut down of any Unit/Units then the completion period/date of work order completion shall be extended (even beyond fifteen months) upto stabilization of Unit/Units at the discretion of PSPCL and shall be binding on the firm. The firm cannot claim extension as a matter of right.

15. The successful tenderer shall have to obtain license under Contract Labour Regulation and Abolition Act-1970 before undertaking the work and shall abide by various provisions/rules framed hereunder.
16. The successful tenderer shall follow & implement the provisions of Factory Act, payment of Wages Act, ESIC Act and workman's compensation Act-1923 etc. and also maintain
