**OFFICE OF CHIEF ENGINEER/COMMERCIAL
 PUBLIC NOTICE**

All Industrial Consumers are hereby informed that the Punjab State Electricity Regulatory Commission had decided vide Order dt. 28.10.2013 that all LS Consumers where the Induction Billet Heaters/Surface Hardening Machines are installed shall be treated under PIU Category. Accordingly, Commercial instructions were issued vide CC No. 27/2014 dt. 29.05.2014 that all such consumers where Induction Billet Heaters/Surface Hardening Machines are installed shall be treated under PIU Category w.e.f. 01.01.2014.

However, It has come to the notice of PSPCL that many Industrial Consumers are running such load without declaring the installation of such loads in their premises and are being billed under General Industrial Category. Detection of such load by Enforcement Staff leads to registration of UUE cases against such consumers with levy of heavy penalties. This causes extreme hardship to the consumers. Thus, all Industrial Consumers are hereby informed to register themselves under PIU Category of consumers if any Billet Heater or Surface Hardening Machines have been installed in their premises.
