Sub: Power Regulatory Measures on Industrial Consumers.

Due to increased demand following Power Regulatory Measures are imposed on Industrial Consumer w.e.f. 04.02.2011, as under:

1. Two weekly off days on general industrial consumers on Category II feeders and induction furnaces with connected load equal or less than 1000KW on Category II and III feeders, will be applicable w.e.f. 04.02.2011. Timings of weekly off days will be from 07:00 hrs. upto start of peak load restriction hours. If first weekly off day of the consumers is falling on 03.02.2011, these consumers will observe second weekly off day on 04.02.2011 and so on.
2. Three weekly off days on Induction Furnaces (above 1000KW connected load) and Rolling Mill consumers on Category II and III feeders, as already intimated vide telephone message 32/2011 dated 01.02.2011, shall remain applicable.
3. Arc furnace consumers will be allowed to use PSPCL Power, to the extent of 50% of their sanctioned contract demand from 06:00 hrs. up to start of peak load restriction hours.
4. Continuous process ( Category IV) consumers will use load upto the extent of peak load exemption allowed (against PLEC) only from 07:00hrs to the start of peak load hours.
5. These instructions will not be applicable on essential industry declared vide PR circular 12/98, IT industry and other exempted categories as per PR circular 5/10 dated 31.5.2010.

6. There is no restriction on consumption of Open Access power by the above consumers.

The regulatory measures imposed earlier vide telephonic message no 32/11 dated 01.02.2011 will remain effective upto 03.02.2011 and there-after above regulatory measures will be enforced.

Peak load hour restrictions will remain applicable as already intimated. However, the consumers will be allowed to use eligible exemption without payment of PLEC / Peak load exemption allowed against payment of PLEC (as applicable) during Peak Load Restriction hours. *These instructions will remain applicable till further orders.*
