Public Notice for Graduate/Technician Apprenticeship

As per point no. 3 "How to apply" of notification dated 19.01.2023 published by Punjab State power Corporation Ltd. (PSPCL) inviting applications from degree/diploma holders for graduate/technician apprenticeship, it is again hereby clarified that the applications of **Engineering Graduates/Technicians** received through online mode i.e. on NATS portal will only be entertained/considered and any application received through offline mode or through email will not be considered and will be rejected. Further only the candidates who are **Graduates in General Stream** have to apply offline as detailed in the notification.

Dy. Chief Engineer/ED,
PSPCL, Patiala.
